LARGE ANIMAL UNDERSHIRTS

Lomir identified a need for a range of undershirts for laboratory animals as scientific procedures become much more refined. Undershirts are an effective means of securing electrodes, connectors, fentanyl patches or any piece that needs to be kept in contact with skin. Customers have found Lomir undershirts to be an effective alternative to bandaging and wrapping animals either before placing an outer jacket or even on their own.

Please note that such orders may require a longer lead time than normal. Heavy, volumetric or non-standard items may require a special handling fee, freight or container charge.

SHIPPING AND HANDLING CHARGES

All shipments are F.O.B. source, prepaid and added to the invoice. Special arrangements can be made, please contact us.

SCHEDULE SHIPMENTS AND BLANKET SHIPMENTS

Our Sales Department can make arrangements for schedules, shipments and blanket orders. We will gladly work to your in-house receiving requirements.

BACK ORDERS

We try to avoid back orders whenever we can. However, if it becomes necessary to back order an item, it will be indicated on your packing slip/invoice and we will advise you of the expected date of shipment. If you are unwilling to accept a back order or would like your order to be shipped complete, please let us know when placing your order.

PAYMENT TERMS

Our terms are net 30 days with established credit. If credit has not yet been approved by our Controller, we may require shipment via C.O.D.

RETURN AND CANCELLATIONS

If we are in error, corrections will be made promptly and without charge. Some items may require a 20% restocking charge if ordered in error. Returns must be made within 30 days and accompanied by a Return Authorization Number from our Customer Service Department. No cancellation or returns on special orders. Example: Items whose dimensions have been modified on your instruction cannot be returned.

WARRANTY

We warrant that all parts sold conform to the specifications set forth in our catalogue. We do not represent that parts are suitable for your particular use and, accordingly, advise that there is no warranty of merchantability or fitness for particular use. In the event of a defect, we shall replace the part or refund the purchase price, and this is the sole extent of our liability. The warranty period is 90 days from the date of purchase.
